The Coaches' Coach!

Coach Mentoring Assessments Expertise

Do you want to:

- Branch into or expand your executive coaching
- Improve your coaching skills
- Understand yourself and how you interact with clients better
- Learn how to use and leverage assessments in coaching
- Find out about a proven, established coaching process to use with your clients
- Brush up on skills and competencies
- Prepare for exams and/or certification or accreditation

Contact me to arrange a complimentary, no obligation call with me or one of my colleagues to explore your needs further. After all, coaches need a coach too!

You will glean the experience I have gained through over 13 years of coaching experience and as a faculty member of three accredited coaching schools. I have also served as an International Coach Federation (ICF) assessor.

Mentor Coaching is a complete customized package for individual needs and includes any of the following, as required:

- Review of recorded or live sessions
- Coaching sessions
- "Coach the Coach" with feedback
- A reflection process and template for your coaching engagements
- Case studies
- Recommendations
- Competency review and feedback within the context of the art, heart and science of coaching
- Resources, tools and structures that support coaching
- Support with ICF application process
- Recommendation/reference letter to ICF
